About Us

We, Strong Rent a Car a specialized company in Automobile industry starting from car rental, buy and sell, car services, limousine services and up to many other transportation solutions.

Strong is a reliable 20 years old name in the cars business domain in Qatar since the company was established in 2003.

Building solid partnerships with clients and corporates made us one of the top preferred destinations when it comes to Rent, Buy & Sell and Transportation solution provider.

Our long experience in this domain, enabled us to bring top-of-the-line services and vehicles to meet and exceed the locals and visitors' expectations, having full coverage of Qatar market with 6 branches and more than 200 staff.

On the other hand, Strong Rent a Car's Limousine Services made strong tie-ups and became the most trustable partner for both government and private sectors to handle the transportation of their guests, especially during big events. As well as our Corporate Sales Department, providing corporate clients with cost-friendly and reliable cars to be provided to their employees as a more efficient solution than buying vehicles.

At Strong Luxury Cars Department, we provide top-of-the-line cars for our elite clients at competitive prices.

As part of our commitment to the market, we at Strong came up with a top-of-the-line service center, assuring our clients of fast, professional and cost-effective car service and repair.

Lastly, our car showroom at Mawater City welcomes everyone to see our wide range of brand new and guaranteed second hand vehicles at great prices.

We are a full umbrella of products and solutions for individuals and corporates to match their needs either it's rental, buy & sell or service & repair.

Our Statement
